Prior Authorization Update for Code S2900

1. Effective **November 02, 2019**, Aetna Better Health of Kentucky **will not** require prior authorization (PA) for the following CPT/HCPCS codes before services are rendered.

| CODE | DESCRIPTION |
|-------|------------------------------------|
| S2900 | SURG TECH RQR USE ROBOTIC SURG SYS |

As always, don't hesitate to contact your Aetna Better Health of Kentucky Network Relations Representative with any questions or comments. You can contact Network Relations by dialing **1-855-454-0061**.

Newborn Notice Update

2. To remove administrative burden from our provider partners, Aetna Better Health of Kentucky is removing notification requirements for **Well Newborns** during the first 4 days of life.

Effective **November 02, 2019**, Aetna Better Health is removing the notification requirement for **well** newborns for participating providers. Well newborns can stay 4 days, post-partum even if the mom is discharged prior to the newborn. If the **well** newborn exceeds the 4 days or if a newborn requires higher level care, a prior authorization is required for the additional days.
