

# Reminder: Providers Can Request Free COVID-19 Testing Kits

*Last updated on 3/17/2021*

ALF, HCS, HCSSA, ICF/IID, and NF providers in counties where the COVID-19 positivity rate is more than 10 percent can request free COVID-19 testing kits.

The test kits are only to test essential caregivers or HCSSA staff going into an NF or ALF who have direct contact with people receiving hospice services. [Providers can request the free BinaxNOW point-of-care antigen COVID-19 test kits by filling out the attestation form \(PDF\)](#). The attestation form includes instructions for requesting the free COVID-19 testing kits for each eligible provider type.
